

ALL KIDS FIRST

“enhancing your child’s potential”

ILLNESS POLICY

Please refrain from bringing your child to the clinic in the event that he/she is sick. We ask that you keep your child home if he/she is experiencing any of the following:

- Fever: Fever is defined as having a temperature of 100°F or higher (a child needs to be fever free for a minimum of 24 hours before returning to the clinic, that means the child is fever free without the aid of Tylenol®, or any other fever reducing substance.)
- Diarrhea: runny, watery, bloody stools, or 2 or more loose stools within last 4 hours.
- Vomiting: 2 or more times in a 24 hour period.
- Breathing trouble, sore throat, swollen glands, loss of voice, hacking or continuous coughing.
- Runny nose (other than clear), draining eyes or ears.
- Frequent scratching of body or scalp, lice, rash, or any other spots that resemble childhood diseases, including ringworm.

Our staff is committed to providing a clean and sanitized environment for your child and we ask for your cooperation in maintaining this cleanliness. If your child becomes ill during their therapy session, we will inform you immediately and ask that you pick up your child as soon as possible. We appreciate your help in keeping our clinic a healthy place for kids!
