

**ALL KIDS FIRST**  
“ enhancing your child’s potential”

Dear parents,

In accordance with insurance policies we are in network with, no patient shall be able to receive ABA therapy from more than one provider at the same time. Because you have chosen All Kids first as your current primary provider, all insurance claims processed will be done with the expectation that we are the only ABA Therapy facility that is seeing your child.

If you are receiving ABA therapy at All Kids First you are entering into a binding contract to solely receive therapy with us, knowing that if you choose to receive therapy at All Kids First and another facility at the same time you may be exclusively responsible for any payments that your insurance would otherwise cover by paying the uncovered services out of pocket.

If you are intending to switch facilities from All Kids First to another local provider we request that you provide at least 7 days notice before you intend to have your last session at our facility. Notice can be given to our director – Nicky Altikulac - through email at [nicky@allkidsfirst.com](mailto:nicky@allkidsfirst.com) or phone at 770.558.6055.
